

FOLDING COUNTER

Lightweight and foldable display, this is an ideal portable solution for events, trade shows, commercial demonstrations, and points of sale that stands out for its ease of transport.

The fabric surface on the sides of the counter can be customized. Printed on 260 gsm Blackback fabric that fits perfectly to the structure, remaining tight and eliminating wrinkles.

It has a white wooden countertop and a space inside that can be used as a small storage area. Recommended for indoor use.
